# What is a Matched Savings Plan?

A simple, flexible, and cost-effective program that schools can offer to encourage and support their staff to set aside funds for savings and retirement.

## Key Benefits

- Available to US and non-US citizens.
- Contribution limits may vary depending on the type of account and local jurisdiction restrictions; please consult a financial advisor for specific details.
- Contributions are invested in model portfolios under the jurisdiction of US financial authorities.
- Offshore investment options are available to non-US citizens.
- Global Advisor Group financial advisors are fiduciaries and act in the best interest of their clients.

## PLAN DESIGN

Global Advisor Group helps the school establish the plan structure—eligibility, match, and in-service withdrawal rules.

## CONTRIBUTIONS

Employees choose their contribution amount, subject to plan rules and applicable local jurisdiction contribution limits, which are detailed in the plan documentation. The school remits both employee and matching funds (if applicable) to be invested.

## ACCOUNT ACCESS

Participants can view their accounts online or on the mobile app.

Our Financial Advisors are committed to acting in the client's best interest, adhering to fiduciary standards as required by applicable regulations.
